Uriah Heep, Dream On (Being In Love)

Been traveling this road for so long My eyes are tired but I carry on

The sun lays down its golden threads

I need a place to rest my head

Although I am far from home now

My soul's with you

It's hard to be out here on my own

So far away so far from home

I need to touch and feel your skin

To live this dream in sleep again

Although I am far from home now

My soul's with you

So dream on dream on freedom comes with

Timeless sleep

Dream on dream on

In the arms of night your silent shadow

Gently speaks

Dream on dream on

This hotel room's a lonely place

It's a one night cell I must escape

So I drink away my loneliness

So I can sleep and dream again

Although I am far from home now

My soul's with you

So dream on dream on freedom comes with

Timeless sleep

Dream on dream on

In the arms of night your silent shadow

Gently speaks

Dream on dream on

And as I fall into the darkness of the night

You come to rescue me, to shield me

In your light

I feel your touch, the softness of your skin

You hold me close before the day breaks in

This dream's so true my heart it beats, it beats

It beats for you, for you

Although I am far from home now

My soul's with you

So dream on dream on freedom comes with

Timeless sleep

Dream on dream on

In the arms of night your silent shadow

Gently speaks

So dream on dream on

Dream on dream on

So dream on dream on

Dream on
