

# Uriah Heep, Here I Am

I sit in my sunny chair  
With my head held low  
I know the reason I'm dreaming  
It's really been fun  
But where is there left to go  
Save to give my life a new meaning

And if by chance  
You'd come my way  
I'll have to say  
Here am i, give me love  
Here am i, give me love

How was I to know  
Your heart was unsatisfied  
When you never troubled to tell me  
No wish that you made to me  
Ever was denied  
I played it just the way  
That it should be

But then you turned  
And walked away  
I have to say  
Here am i, give me love  
Here am i, give me love

Here am i, give me love

I imagine I must sit here  
Till the winter comes  
And just watch the days  
Growing shorter  
To gather in dust won't go  
Till my thinking's done  
And I walk from this troubled water

By then my need won't be so bad  
And I'll gladly say  
Here am i, give me love  
Here am i, give me love ...
