

Uriah Heep, I'm Alive Again

So many questions
So many lies
Truth has been hidden
Behind your eyes
But I'll survive
Oh, I'm alive
Look for the answers
Try to understand
Fight when you have to
Run if you can
But I'll survive
Yeah, I'm alive
Look closely at the stars
I'm a man of broken dreams
But I'm alive again
Oh yeah, I can bleed
I'm a man of broken dreams
When I'm alive again
Oh yeah, come see me bleed
I'm a man of broken dreams
But I'm alive again
Don't take no prisoners
That's what you said
I was burned, I was broken
Lost and left for dead
But I'll survive
Oh, I'm alive
Look closely at the stars
I'm a man of broken dreams
But I'm alive again
Oh yeah, I can bleed
I'm a man of broken dreams
But I'm alive again
Oh yeah, I'm alive again
I'm alive again
Come see me bleed
I'm alive again
I'm alive again
