

# Uriah Heep, I Wanna Be Free

(Hensley)

As I wake up every day with no new songs to play  
Feeling like I ought to pack my bag and run  
My imagination flies to some other sunny skies  
Where I felt so good and everything was done  
And my time was my own, and my heart felt so free. Come On!

I don't mind a little rain, but it doesn't seem the same  
When the clouds shut out your beauty from my eyes  
There's a storm inside my head and I know it doesn't lead  
To a clearer a day when nobody will cry  
I can't stand here alone, and I need to be free... Free!

So bring fire and bring steel for you know the way I feel  
Bring a silver horse to carry me away  
I'm no stranger, I'm a friend and my pain will never end,  
'Til the world will let us live our lives as one  
And our time is our own, and our hearts can be free.

I wanna be free, I wanna be free, I wanna be free, I wanna be free  
I wanna be free, I wanna be free, I wanna be free, I wanna be free
