

# Uriah Heep, Love Or Nothing

(Hensley)

You gotta make up your mind  
'Cause you're runnin' out of time  
You know it's your game and the winner takes all  
It's time for you to realize  
There's gonna be no compromise  
It's gotta be love or nothing at all

I've thought about a new beginning  
But you know your heart's not in it  
There's something inside that ain't hearing my call  
And each new misty morning  
Brings a constant warning  
It's gotta be love or nothing at all

It's no good climbing in the back seat in the name of love  
Or tryin' to be somebody that you know you're not  
Sneakin' out the back door at dead of night  
'Cause you're never gonna find out what it's really like
