

# Uriah Heep, Lucy Blues

Well the very first time I saw you darling  
Not one single word would come to my lips  
Yes, the very first time I saw you darling  
Not one single word would come to my lips  
You see, I was so afraid you wouldn't love me  
I want to tell you right now  
I was frightened right down to my fingertips  
So baby when you went away  
That unlucky day last September  
I was like a little lost boy in the wilderness  
Baby baby baby baby baby baby baby  
When you went away, oh yeah  
I was like a little lost boy in the wilderness  
And I've just been sitting and thinking  
Of everybody I've ever known  
Ooo, well you know I still love you the best  
Yeah, the very best
