

# Uriah Heep, Why

This version has slightly different lyrics than 'the lansdowne tapes' version

Thought of no tomorrow  
The pain, tears and sorrow  
And you never told me why  
The way you cheated  
And mistreated  
I could never ask you why

Well, I'm gonna find out  
I'm gonna find out  
What's been messing up your mind  
Messing up your mind

Well, I've been through  
Some changes  
Now I'm leaving  
While me mind rearranges  
Why I'm grieving  
I don't mean that you hurt me  
Or deceived me  
For I know that you're there  
And you need me  
You sure do  
But I hope you can't see how it is  
I can't stay any longer  
I've got to go

Is there any true reason  
Or anything I can explain  
Can't we talk about it baby

And get together again  
You see I have the feeling  
That this isn't the end  
And I feel knowing  
On you I depend  
I depend on you

I'm gonna find out, yes I am  
I'm gonna find out  
What it is that's been  
Messing up your mind

Well, I said that I love you  
And I need you  
Then it means I am yours  
Yes, I belong to you

But I just can't be certain  
That you love me too  
Well, I've got to know  
If I can believe in you  
Please believe my heart is yours  
I can't stay any longer  
I've got to go

Perhaps it's best for us  
To stay together  
And try to live our lives as one  
And maybe we will find  
We're still together  
To watch the setting of the sun
