

Uriah Heep, Words In The Distance (Love Awareness)

Dancing with danger and tears in my eyes
Love ain't no stranger so many goodbyes
Words in the distance are calling me
Just when I thought I could make a new start
Here comes another fire burning in my heart
Words in the distance are calling me
And to get to heaven you gotta go through hell
I cut my heart on the wishing well
You know that I'm crazy
I'm just a fool
To say I love I love I love you
You know that I'm crazy
Just a fool
To say I love I love I love you
My senses burning from the heat of your skin
Deeper than deep I feel you movin' in oh oh
Words in the distance are calling me
And to get to heaven you gotta go through hell
I cut my heart on the wishing well
You know that I'm crazy
I'm just a fool
To say I love I love I love you
You know that I'm crazy
Just a fool
To say I love I love I love you
I hold this moment of magic
I hold it in my hand
A single moment of heaven
Don't you know that I'm crazy
I'm just a fool
To say I love I love I love you
You know that I'm crazy
Just a fool
To say I love I love I love you yeah
You know that I'm crazy
I'm just a fool
To say I love I love I love you
Don't you know that I love you baby
Can't you feel it in my heart yeah
And I don't know what to say no
Well I've got a fire in my soul
I don't know which way to go
And I don't know what to do
