

# Urma, How Long Does It Take

What else should I give, what else do you need,  
How many days we have to waste until you see?  
Should I disappear, would I make it clear?  
How many words we have to waste until you'll see?

There is no need to waste your questions in my face  
Why do we have to feel  
This emptiness of feelings?

How long does it take, how long does it take  
For you to see inside of me?

What else should I say, would you play my game?  
No need for us to waste another day again...  
Should we runaway, where no trouble stays  
Would you trust in me that we could reach in such a place?

There is no need to waste your questions in my face  
Why do we have to feel  
This emptiness of feelings?

How long does it take, how long does it take  
For you to see inside of me?
