

US5, Baby be mine

INTRO:

Baby, I think about you all the time
Now all I ask is for you to me girl
Do you feel me

CHORUS:

Baby be mine
You are the one for me and girl these words are true
Girl you're so fine
I'll be you're everything and I'll be waiting
I'll be the one
I'll be your destiny you're always on my mind
The whole night through watching you, watching you
Cause' you're my lady

VERS 1:

Baby girl don't you know
Everything that I say is true
All my love gonna show it
(Let you know baby girl what I feel for you)
In my heart there's a feeling
Something real that I can't ignore
I like the way you are, are

PRE - CHORUS:

In my mind you're my girl and I want you'
If I could make you love me forever
So get into my life want you here by my side
And I can make youz feel so right, so right

CHORUS:

Baby be mine
You are the one for me and girl these words are true
Girl you're so fine
I'll be you're everything and I'll be waiting
I'll be the one
I'll be your destiny you're always an my mind
The whole night through watching you, watching you
Cause' you're my lady

VERS 2:

Everytime that I see ya'
I get chills by the way you move
Everything's got a reason
(I like the day baby girl when I first saw you)
All I need is affection
Wish I had some of yours tonight
Let's make this last for life, life

PRE - CHORUS:

In my mind you're my girl and I want you'
If I could make you love me forever
So get into my life want you here by my side
And I can make you feel so right, so right

CHORUS 2X:

Baby be mine
You are the one for me and girl these words are true
Girl you're so fine
I'll be you're everything and I'll be waiting
I'll be the one
I'll be your destiny you're always an my mind
The whole night through watching you, watching you
