

US5, I can't live without ya

Only is night
One earth true manenso
One thing
One now
One girl
I misin
Nared mine
Jus one is hared
Naerd pushing to help of with me
What a helea I thinking
What a heles wrong with me
with me
I can live without ya
I can live without ya
I can live without ya baby
With you not by my side
I can dream without ya
I can dream without ya
I can live without preaty face
When you back of my self
