

US5, The one

Everything has changed
Since you came along
Got me feeling high
I can't touch the ground
I'm waking of feeling
happy each morning
It's what you do,
It's what you do for me.
I like the way we talk
When we're all alone
Walking hand in hand
When we're on the go.
Livin' life like we're in a great movie
That's what it's like,
That's what it's like for me.
Honestly,
When you look back at me
It means so much to see you smile
Cause it's all I want, all I want
When you think no one there for you
You don't need to look far
I don't want you to.
Cause I'm the one baby,
The one, The one, baby ,the one
When your dreams were so high to reach
I'll give that for you all you need it.
The one, baby, the one ,the one...
I will be the one.
Oh-Oh-Oh...Oh
When I hear your name
I just start to smile.
I can spend the nights
in a little while.
Lay'in there just watchin' some TV
If I'm with you-Baby I'm happy
Now everything before
it was just a blur
Girl when I met you
I know you were
Don't want to change my direction
I promise you-I'll be your protection
Honestly,
When you look back at me
It means so much to see you smile
Cause it's all I want, all I want
When you think no one there for you
You don't need to look far
I don't want you to.
Cause I'm the one baby,
The one, The one, baby ,the one
When your dreams were so high to reach
I'll give that for you all you need it.
The one, baby, the one ,the one...
I will be the one.
I will fighting
If someone told me we will over
I will crying
If someone else step in the picture
No one ,no one catch my eye
I want, I want waste my time
It's just myself
where's no one else
Cause someone else would just not be with you
When you think no one there for you

You don't need to look far
I don't want you to.
Cause I'm the one baby,
The one, The one, baby
When you think no ones there for you
You don't need to look far
I don't want you to.
Cause I'm the one baby,
The one, The one, baby ,the one
When your dreams were so high to reach
I'll give that for you all you need it.
The one, baby, the one ,the one...
I will be the one.
