

# Usher and Alicia Keys, My Boo

[Usher intro:]

There's always that one person  
That will always have your heart  
You'll never see it coming  
Cause you're blinded from the start  
Know that you're that one for me  
It's clear for everyone to see  
Ooh baby ooh you'll always be my boo

[Alicia intro:]

I don't know bout cha'll  
But I know about us and uh  
This is the only way  
We know how to rock  
I don't know bout cha'll  
But I know about us and uh  
This is the only way  
We know how to rock

[Usher Verse:]

Do you remember girl  
I was the one who gave you your first kiss  
Cause I remember girl  
I was the one who said put your lips like this  
Even before all the fame and  
People screaming your name  
Girl I was there when you were my baby

[Chorus:]

[Usher:]  
It started when we were young girl  
You were mine my boo  
Now another brother's taking over  
But its still in your eyes my boo  
Even though we used to argue it's alright  
I know we haven't seen each other  
In awhile but you will always be my boo

[Alicia:]

I was in love with you when we were younger  
You were mine my boo  
And I see it from time to time  
I still feel like my boo  
And I can see it no matter  
How I try to hide my boo  
Even though there's another man in my life  
You will always be my boo

[Alicia Verse:]

Yes I remember boy  
Cause after we kissed  
I could only think about your lips  
Yes I remember boy  
The moment I knew you were the one  
I could spend my life with  
Even before all the fame  
And people screaming your name  
I was there and you were my baby

[Chorus:]

[Usher:]  
It started when we were young girl  
You were mine my boo  
Now another brother's taking over  
But its still in your eyes my boo  
Even though we used to argue it's alright  
I know we haven't seen each other  
In awhile but you will always be my boo

You will always be my boo

[Usher:]

My oh, My oh, My oh, My oh, My Boo

[Alicia:]

My oh, My oh, My oh, My oh, My Boo

[Chorus:]
