

Usher, Can you handle it?

[Usher speaking]

Whats up baby?

Im so glad I got you here

Im so in love with you

And I dont ever wanna lose you

I wanna take this to the next level

I hope you're ready

Now that youre here

I got somethin to say, baby

I think that you should know

Youre givin the most, suga

So dont worry bout the situation

Id never let you go

[Chorus]

Can you handle it?

If I go there baby with you

I can handle it

I can go there baby with you

Oh, I hear you talkin babe

Can you handle it?

Can I go there baby with you

We gon set it off

We gon tear it up

Baby can you handle...?

Wooooo, baby

You say all the time

You only want the best of my love

Now I can see that

Theres only one way to tear it up

Yeah

Im willing to tell you

Everything I let stand between us

But what if I tell you too much?

What about you babe?

Will you tell me

All the freaky things you are

Before I do

Need you to know

If we make it through

Our love will grow

Oooh ho ho

Imagine how amazing things would be

[Chorus]

Can you handle it?

Can I go there baby with you?

We gon set it of

We gon tear it up

Baby can u handle..?

I can handle it

I can go there baby with you

Oh, I hear you talkin babe

We gon set it out

We gon work it out

Baby can you handle..?

Oooh hey yeah baby

I fear sometimes in my mind

That you wont wanna stay with my love

Oh baby

If I can be sure

Inside out that you know exactly

The man that comes to see you

Ill go deep as I can

Giving you the rest of my love

But what if I tell you too much?

Uhhh
So much to explore
So much we have yet to discover
I ask myself
Should I go there?
Should I do it?
Yeeeeeahhh ooooooh
Can I give it to you fully?
Can you handle it?
[Chorus]
Can you handle it?
If I go there baby with you
We gon lay it out
We gon tear it up
Baby can u handle..?
I can handle it
I can go there baby with you
We gon set it out
We gon make it out
Baby can you handle..? (oh, I need to know!)
Can you handle it?
Can I go there baby with you? (oohh)
We gon set it off
We gon tear it up
Baby can you handle...? (ohh, I need to know!)
We gon set it out
We gon work it out
Baby can you handle? (can you handle it?)
Can you handle it?
Can I go there baby with you
We gon set it off (we gon' set it off)
We gon tear it up (we gon'make it up)
Baby can you handle..?
