

Usher, Confessions Part I

Every thing that ive been doin is all bad
I got a chick on the side wit a crib and a ride
Ive telling you so many lies aint nothing good its all bad
And I just wanna confess cause its been goin on so long
Girl I been doin you so wrong and I want you to know that
Every thing that ive been doin is all bad
I got a chick on the side wit a crib and a ride
Ive telling you so many lies aint nothing good its all bad
And I just wanna confess cause its been goin on so long
Girl I been doin you so wrong and I want you to know that

[Verse 1]

Everytime I was in L.A. I was with my ex-girlfriend
Everytime you called I told you,
"Baby I'm workin." (No!)
I was out doin my dirt (Oh!)
Wasn't thinkin' 'bout you gettin' hurt
(I) was hand in hand in the Beverly Center like man
Not givin' a damn who sees me
So gone (I know)
So wrong (Just listen)
Actin like I didn't have you sittin' at home
Thinkin' about me
Bein' a good girl that you are
But you prolly believe you got a good man
I man that never would do the things I'm about to tell you I've done
Brace yourself
It ain't good
But it would be even worse if you heard this from somebody else

[Chorus]

[Verse 2]

if I could turn back the hands of time and start all over I would
stead of everything bein all bad beby everything will be all good
I dont wanna lose you but I know what im telling you aint gon make you wanna stay, probally just n
mad enough to punch me in my face
Ive been livin like an idiot and I deserve every bit of it
I know, today is the day that I end all the lying and the playing and the bullshit
Girl, im sorry baby im sorry
But I can no longer walk around with this stress on my chest
I confess...

[Chorus]

Can you break it down....

[Harmonica playing]

[Chorus fades out]
