

Usher, Echo

Now baby listen to me when i tell you that I ain't a perfect man

Can't keep listenin

To the whisperin that's coming from your friends

I recognise that my past is bad bu lets get past the past when everybody's hating can get desecrat

But no hesitation no no

Tell them just get gone

They can never keep a man

So they wouldn't understand

That's why they alone

Baby let it go

I'm just lettin you know

They never see for themselves

But they always wanna help

That's why they just echo

CHORUS:

Listen to them haters and liars and what your friends say

Everything that they speakin They just repeatin

And they echo echo echo

They hear them rumors

And they echo echo

But they don't know what They been talkin bout

Say iv been cheatin

Somebody saw me creepin

On the weekend

Oh oh no

Did my confessions

Baby a long time ago

And they echo echo echo

They hear them rumors

And they echo echo echo

Don't listen to them

Cause they echo

I don't care

What they talkin bout

Baby we can work it out

No problem

Anything that you ever wanted

Who got it

Everything you ever needed

I found it

Don't want it that drama

No problem

I'm a just let it go

Cause they don't know

About this here

I understand that your Girlfriends talk

But all they do is talk

As a matter of fact

I remember back

When I met

Tiffany at the mall

She hollard

I never called

Now I know I know

That's your partner

But she want me so she

Echo

Your girlfriends lovin

The way I do what I do

I met her long ago and

Shes mad cause now I'm with you

But there ain't no use in Listenin cause baby

It ain't the truth

Tell her she should let
It go cause they only rumors
And they Echo Echo oh oh oh
Don't listen to her
