

# Usher, If I Want To

[Usher] (JD)

Every time I look up  
I see it in your face  
You wanna hook up with me  
(You know you wanna hook up - stop playing)  
Instead of acting like you supposed to  
You cop an attitude like you're good for me  
And you know good and damn well that...  
If I want to - I can take you from your man  
With my eyes closed  
I can have you eating out the palm out of my hand  
And all your little girl friends to  
(No you can't - you're a playa I don't want you)  
Yes I can and I will if I - if I want to  
If I - if I want to baby  
Ain't nobody tryna clown you  
But you're too damn old to play high school games with me  
(You know that - too damn old)  
Yes you do  
Cause even when I'm not around you  
I hear from my friends you be asking 'bout me  
(What's up with him - that's what you be saying)  
I don't really care  
How long you've been together with your man?  
It's just a matter of time  
Before I make you mine  
I wanna make it clear  
So there's no misunderstandings  
That I get what I want - when I want, yeah  
If I want to - I can take you from your man  
With my eyes closed  
I can have you eating out the palm out of my hand  
And all your little girl friends to  
(No you can't - you're a playa I don't want you)  
Yes I can and I will if I - if I want to  
If I - if I want to baby  
If I want to - I can take you from your man  
With my eyes closed  
I can have you eating out the palm out of my hand  
And all your little girl friends to  
(No you can't - you're a playa I don't want you)  
Yes I can and I will if I - if I want to  
If I - if I want to baby  
(Yeah, uh - oh)  
That I get what I want - when I want  
If I wanted to  
(If I wanted to - I'd have you doing whatever I want you to)  
(You know - right now I'm just not really doing that)  
(But if I wanted to - anything)  
(I'm saying - you and your girls, I could have them too)  
Listen to me!  
If I want to - I can take you from your man  
With my eyes closed  
I can have you eating out the palm out of my hand  
And all your little girl friends to  
(No you can't - you're a playa I don't want you)  
Yes I can and I will if I - if I want to  
If I - if I want to baby
