Usher, Slow Jam

I was all alone

I was feeling rather low

I needed someone to lift my spirits up

So I dropped in on a dance

Just to take a glance

And there this lovely thing was

She was more than enough

I asked her for her hand

Said would you like to dance

So pleased that I had asked

She quickly took my hand

And we danced and fell in love

On a slow jam

Ohhh

[Hook]

Play another slow jam

This time make it sweet

On a slow jam

For my baby and for me

Play another slow jam

This time make it sweet

On a slow jam

For my baby and for me

Seems what you say is true

I feel the same way too

I waited all night long just to dance with you

And when you touched my hand

I knew you were the man

To turn my world around

And make my dreams come true

The magic in your eyes, made me realize

That everything I feel, has got to be real

And we danced and fell in love

On a slow jam

[USHER]

I'm trying to find someone who

I can give my good lovin' to

Never, ever did I dream I'd find someone, yeah

[MONICA]

Now I've been trying to find someone too

I prayed to God, and then I found you

I swear I fell in love the night you danced into my heart

[Hook]

Play another slow jam

This time make is sweet

On a slow jam

Can I get a slow jam

Do you want to slow jam, baby

Play another slow jam

This time make it sweet

Can I get a slow jam

Play another slow jam

Are you gonna slow jam
