

# Usher, Superstar (Interlude)

This goes out to you, you, my number one (number one, number one)  
I won't stop until I see you, suga  
You know who you are  
This is for my number one, number one (I see you)  
So many shows, swear wherever I go I'm gonna keep on lookin'  
Lookin' for my number one, number one (Oh)  
This goes out to you baby  
Wherever you are (my only one)  
Just know that you're mine (number one, number one)  
Are you there?  
I can't hear you  
On the road doin' shows  
Girl I can't get you off my mind  
All around the world  
So many faces  
All these places  
Girl I just need one  
My number one  
This is for you, you, my number one

[Crowd chanting]  
Usher! Usher! Usher!
