## Usher, Think Of You

Oh yeah Sh de da de dup dem de doo

All the time I think of you Holding on to someone new Don't make me lose my mind Seems like I been here before Baby I can't take no more Of you trying to play me out baby

I feel so strange thinking about you After all the wrong you've done to me I can't go on feeling like I do Cause my heart loves you I'm so confused

[Chorus] Don't waste my time Cause someone like me you'll never find I thought we had a good thing But I was wrong and now I must move on

To another love one that I can trust With my heart I know she'll never run away Just can't talk no more So I'm out the door Talk to me Why you wanna play love games

[Chorus] Don't waste my time Cause someone like me you'll never find I thought we had a good thing But I was wrong and now I must move on

[Bridge]

[Chorus] Don't waste my time Cause someone like me you'll never find I thought we had a good thing But I was wrong and now I must move on
