Usher, Truth Hurts

[Intro]
Yeah umm
See its situations like this
That causes us players to get caught up
In umm the truth
Yeah
What you doing, where you been?
I paged you and you aint hit me back
I been callin and I know you see my number on that caller I.D.
Just listen to the words

[Verse 1]

I got reason to believe that youve been foolin around The way you feel, the past you lived The things you did It dont matter to me For what its worth just dont lie to me Cause that aint what I need right now Baby, everything we built on trust Youre tearing it down Cause I know the truth hurts {truth hurts}

[Chorus]

Tell me the truth now
What cha been doing and who
Ya been doing it with {truth hurts}
Where you been going and
How you been putting ya thing down {truth hurts}
Whatever youz was working I
Hope that it was worth it baby {truth hurts}
I got reason to believe that you been foolin around

[Verse 2]

Girl, Im really tryin hard to understand I want to move on and put it in the past Cause, you claim that you aint doin nothing Must be my insecurities Its got the best of me right now What I know I cant hold it inside of me Its gonna drive me insane

[Chorus]

Tell me the truth now
What cha been doing and who
Ya been doing it with {truth hurts}
Where you been going and

The truth is Ive got the secret
Ive been keeping from you baby
Cause I know that you
Will tear up the place
Punch me in my face
Pull the hot grits out
