

Usher, You Make Me Wanna...

This is what you do
This is what you do
This is what you do
This is what you do
1 - You make me wanna leave the one I'm with
Start a new relationship with you
This is what you do
Think about a ring and all the things that come along with
You make me
You make me wanna leave the one I'm with
Start a new relationship with you
This is what you do
Think about her and all the things that come along with
Make me
You make me
Before anything became between us
You were like my best friend
The one I used to run and talk to
When me and my girl was having problems
You used to say it would be okay
Suggest little nice things that I should do
And when I go home at night and lay my head down
All I seem to think about was you
And how you make me wanna
Repeat 1
Now what's bad is you're the one that hooked us up
Knowing it should have been you
And what's sad is that I love her but I'm falling for you
What should I do
Should I tell my baby bye-bye
Should I do exactly what I feel inside
Cause I, I don't wanna go, don't need to stay
But I really need to get it together
Repeat 1
At this point the situation's out of control
I never meant to hurt her
But I gotta let her go
And she may not understand it
Why all of this is going on
I tried, I tried to fight it
But the feeling's just too strong
You make me wanna
You make me wanna
