It's only love...
It's only love...

If only one of my wishes came true,
Let me sleep by your side, any place will do.
Beautiful World
Without losing sight, i look only at you.
Beautiful Boy.
Still don't know your own beauty.

It's only love...

Whether you're asleep or awake, you simply dream
of boy's manga. Don't you like yourself?

Not knowing what you want,
You just want; Cold tears running down your cheeks.

I have nothing i want to say,
I just want to meet you one more time.
I can't say what i want to say,
Maybe i lack the guts(to do so).
That's alright, but...

()

It's only love

You try to do anything,
Even through loss, adding a bit more experience.

I don't need newspapers,
There's nothing important in them.
What have you been doing lately?
If you're doing fine...
Then it doesn't matter, but...

Before my world disappears, if i can meet you,
Let me sleep by your side, wherever the place.
Beautiful World,
In the fleeting days that pass by,
Beautiful Boy,
There's nothing we can do about our feelings.

If only one of my wishes came true,
Let me sleep by your side...

Beautiful world
Beautiful boy...
