

Utada Hikaru, Give Me A Reason

Only sixteen

hey

Give me a reason to show you
won't you Tell me why I should try to
Give me a reason to love you

hey

Give me a reason to show you
won't you Tell me why I should try to
Give me a reason to love you
If I had you

Give me a reason to show you
won't you Tell me why I should try to
Give me a reason to love you
