== English Translation ==  
&lt;/lyrics&gt;  
Delinquents, model students, teachers  
Are all the same when they fall in love

Bass Drum that rings in my eardrum  
Cymbal that beats nicely  
B-section that seems to melt  
Your smile is  
A critical hit to my heart  
It's become high-tension high-tension high-tension

Get closer to me  
Don't hold back  
Even if you get hurt a bit,  
It's all right  
KISS & CRY

I don't want to have a mindset of a victim  
I'd rather make you look up to me and become an accomplice to crime

Dad's layoff,  
Brother's internet,  
Mom's on diet, diet, diet  
Everyone's a pilot in the night sky  
Moonlight that cures loneliness  
Today's meal is Nissin Cup Noodle Cup Noodle Cup Noodle

Get closer to me  
Don't hold back  
Even if you get hurt a bit,  
It's all right  
KISS & CRY

DON'T WORRY BABY  
If you think too much  
Or always just wishing  
Isn't that sad?  
KISS & CRY

I JUST WANT TO BE HAPPY  
Just a bit, just a bit  
I JUST WANT YOU TO HOLD ME  
I'm a coward  
At this rate, nothing will change  
before my birthday next year  
I JUST WANT YOU TO HOLD ME  
I don't care if I get embarrassed

Get hurt a little bit  
Don't give up  
Laugh it out and do it  
There's nothing more you can do  
KISS & CRY

Pluck up more courage  
Show me more of your true power  
Even if it doesn't end up the way you wanted it to  
It's all right  
KISS & CRY
