</lyrics>
I fall in love, and the love is over
What I swear is, may this be the last Heartbreak
Even the cherry blossom in the winds sways
and soon they will blossom

Summer rain that began to fall
passed by beside the tears, quietly
The images overlapped with memories
A rerun of the autumn drama

Why is it always the same kind of punches
that I receive all the time
Even so I will fight again
That is a mystery of life

I fall in love, and devote everything
What I hope is, may this be the last Heartbreak
Even the cherry blossom in the time sways
and soon they will blossom

In the seasons repeated over and over
shoes are wearing out

Loosen up your shoulders more
Keep the past somewhere
It will not be that far away from here
The scenery that I have never seen

The endless pain of my heart, I'm getting over it
and I want to be closer to you
Going one round and coming back
I feel my way in blue sky all the time

I fall in love, and the love is over
What I swear is, may today be the first good day
Until the cherry blossom in the winds sways
and quietly reaches out for you

I love you, I can't stop loving you
That has nothing to do with this
