

Utada, Sanctuary

In you and I there's a new land
Angel's in flight
wōnk uoy naht noitceffa erom deen I
My sanctuary, my sanctuary, yeah
Where fears and lies melt away
Music will tie
wōnk uoy naht noitceffa erom deen I
What's left of me what's left of me now

I watch you fast asleep
All I fear means nothing

In you and I there's a new land
Angels in flight
wōnk uoy naht noitceffa erom deen I
My sanctuary my sanctuary yeah
Where fears and lies melt away
Music will tie
wōnk uoy naht noitceffa erom deen I
What's left of me what's left of me

snwod dna spu ynam os
My heart's a battleground
snoitome eurt deen I
wōnk uoy naht noitceffa erom deen I
snoitome eurt deen I

You show me how to see
That nothing is whole and nothing is broken

wōnk uoy naht noitceffa erom deen I
In you and I there's a new land
Angel's in flight
wōnk uoy naht noitceffa erom deen I
My sanctuary my sanctuary yeah
Where fears and lies melt away
Music will tie
wōnk uoy naht noitceffa erom deen I
What's left of me what's left of me now

My fears and lies
Melt away
wōnk uoy naht noitceffa erom deen I
