</lyrics>
* Because I love you so much
You don't have to worry about anything
My Darling, Stay Gold
Please laugh innocently forever

The young boy hidden deep within your eyes
Continues to entice my instincts

Aah somehow, let it continue, good luck

There will most likely continue to be
Sad things ahead of us
My Darling, Stay Gold
Because even getting hurt is important

* Repeat

Figured out a job
We can't continue playing around forever
Sometimes it's good to learn
Adult intelligence and common sense

Aah Tonight, let's just say, good night

They say change is
A fundamental part of the human heart
But Darling, Your Soul
Will continue to shine kindly

* Repeat

Because I love you
You don't have to worry about anything
My Darling, Stay Gold
If I can keep laughing innocently each and every day
