

Utopia, Love Alone

When she calls my name
Nobody says it quite the same
Gives me a feeling I never knew
Makes me so happy loving her.
Love and love alone
I'd wait a life just to have it here.
Love is all I know and that can't be wrong.
It's sometimes hard to see
Love isn't bought well it's got to be
There for a reason you want to share
To show somebody you care.
Love and love alone
Conquers the world that can be so cold.
Love is how we show just what we feel.
It's enough for me can't say I need anything else.
Love is here to be had by us all
Don't cheat yourself.
I can say it now
Someday we'll all be there somehow
Everyone singing, love leads the way
'Til then I'm counting every day.
Love and love alone
I'd wait a life just to have it here.
Love is all I know and that can't be wrong.
