

# V, Blue

On and on and on  
And my love  
On and on and on  
Can we go?  
On and on and on  
And tomorrow  
On and on and on

What if I show you and make it all new?  
Green, yellow, red, blue  
Whatever seems good to you

□□□ □□  
□□ □ □□  
□ □□ □□

But baby, you're still blue, blue

Blue, blue  
Blue, blue  
Blue, blue  
Blue, blue  
Blue

(Aah, on and on and on)  
(Aah, on and on and on)

□□□ □□  
□□□ □□  
It's sinking me too  
□ □□ □ □□

So swing my way, baby  
And let me close you  
And feel the world move  
Fly away, fly away

Blue, blue  
Blue, blue  
Blue, blue  
Blue, blue  
Blue

Blue, blue  
Blue, blue  
Blue, blue  
Blue, blue  
Blue

(Aah, on and on and on)  
(Aah, on and on and on)
