

# Vader, The Innermost Ambience

[There's a lot of means for Conversation and Knowledge of the Holy Guardian]  
[Angel (nothing to do with usual Christian connotations). This entity, Deus]  
[Absconditus (Hidden God), communicates one's True Will - that is, Destiny. The]  
[invocational styles vary from ascetism to the use of psychosexual forces. Yet]  
[success is independent of our lust, however hard the practices are.]

Withdrawal of every light  
and its sure advancement  
thoughts stop to drone in deepest heights  
am I being spoken to?

Neglected Virgin Whore Wisdom  
of women, scents and the True Prayer  
master the ugliest mystery and then  
body to body, lust to lust

Deus absconditus  
Saviour Self-Shining  
all souls are female  
when his spear points down

Warfare roll striking my head  
mega Gnosis, hyper scale fall  
dark noise sudden entry  
who called this the Work of Beauty?

Transversed soul hierarchy  
vipers of Reasons tamed and trained  
yet prone to bite, eager to spit  
upon the fake reflected ray

Deus absconditus  
Saviour Self-Shining  
all souls are female  
when his spear points down
