

Vains Of Jenna, Ceased Emotions

Come on everybody, let's go!
Oh yea!
She is like a machine, yea!
That's why i fell in love
Everyday is like a dream
No I'm running wild because i got blind
Oh girl, oh yea
Things got to change
Now days she's an empty soul
Nothing seems to be for me anymore
I said it can't be like this
I leave it all
Shut up!!!
Oh girl, oh yea
Things got to change
I said
Hey there baby i don't want you no more
Your eyes look so bad, i'm so fuckin' bored
Now i'm leaving just to get away
Bye-bye baby, there's a better place for me!
Kin...
I said
Hey there baby i don't want you no more
Your eyes look so bad, i'm so fuckin' bored
Now i'm leaving just to get away
Bye-bye baby...
I said
Hey there baby i don't want you no more
Your eyes look so bad, i'm so fuckin' bored
Now i'm leaving just to get away
Bye-bye baby, there's a better place for me!
Yea!!
