

# Val Emmich, Shock

No more secrets here  
let's make it crystal clear  
just tell me yes or no  
that's all I want to know

You're supposed to be my friend  
don't lie to me  
just turn and walk away  
I could punch your fucking face  
you took it way way way too far  
you're not who I thought you are

Tell me it's a joke  
tell me you're kidding  
'Cause I believed in you  
but now you have a lot to prove

You're supposed to be my friend  
don't lie to me  
just turn and walk away  
I could punch your fucking face  
you took it way way way too far  
you're not who I thought you...

If I don't know you...  
then I don't know anyone  
If I don't know you...  
then I don't know anyone

Shock!

Think carefully...  
before you speak  
Think carefully...  
before you speak

You've got one chance to come clean  
one more chance to come clean  
you've got one more chance to come clean  
one more chance and then I'm leaving
