

# Valensia, My Heart Is In Your Hands

Sun is just down.  
It overcomes me this night again.  
And where the fight in my mind.  
If you don't tell me for who I am.  
What am I living for?  
Why, why, this even tight, do the stars and skys and time suicide?  
There are no! I never doubt to decide whether I should live or die.  
I'm in love, I'm cold and I'm on fire.  
Do you understand?  
No, and now my heart is in your hand.  
And I'm in love or am I covered ... young by ...  
Gaia ...  
Oh, and now my heart is in your hand.  
I'm in love and I'm ...  
Like a time where the dream come true.  
If you should call it the day and when the light is away to be in ... shade in my mind.  
I'd care, but I'm not afraid can tear away, 'cause our hearts beat twice.  
I know what I'm living for.  
Why, why, you stole my heart and brought it back to you today?  
Why, why, does everything in my life slip away?  
And with nothing left to say.  
I'm in love, I'm cold and I'm on fire.  
Do you understand?  
No, and now my heart is in your hand.  
And I'm in love or am I covered ... young by ...  
Gaia ...  
Oh, and now my heart is in your hand.  
I'm in love and I'm ...  
Why a man might broke my heart?  
Are you tend to me tonight?  
Why, why is every dog in my head for desire?  
When you make my life so fine.  
I'm in love, I'm cold and I'm on fire.  
Do you understand?  
No, and now my heart is in your hand.  
And I'm in love or am I covered ... young by ...  
Gaia ...  
Oh, and now my heart is in your hand.  
I'm in love and I'm ...  
Like a time where the dream come true.  
And now my heart is in your hand.  
And now my heart is in your hand.  
And now my heart is in your hand.  
And now my heart is in your hand.
