

Valensia, We will rock you

Buddy you're a boy make a big noise
Playin' in the street gonna be a big man someday
You got mud on your face
A big black smudge
Comin' down the street
You better start swimmin' or you'll sink like stone
Your time is comin' to shine
So put on a red collar and blue overalls
And watch the shape of your shoulders
Well you can't do that to me
We're not gonna stop
No more of your bad ol' tricks
You got to be more clever 'cause we know
Your secrets
Well you can't do that to me
We're not gonna stop
No more of your bad ol' tricks
You got to be more clever 'cause we know
Your secrets
