Verse]

Conversations movin' like a hurricane
Uh oh - time for a vacation
Sunday morning - woke up to find out
Uh oh - here comes a tidal wave

Could be rainin' (rainin, could be rainin)
Could be rainin' (rainin, could be rainin)
Could be rainin' (rainin, could be rainin)
Could be rainin' (rainin, could be rainin)
Rainin' down cats and dogs

[verse]

Emotions spinnin' just like a twister
Uh oh - it's blowin' me away
Monday morning - woke up to find out
Uh oh - i've burned another bridge

Could be rainin' (rainin, could be rainin)
Could be rainin' (rainin, could be rainin)
Could be rainin' (rainin, could be rainin)

Rainin' down cats and dogs

Love reaction - cold as a winter storm
Uh oh - i think i feel a chill
