

Valentine, I Love You Like You Are

ooh ooh ooh ooh
ooh ooh, everytime you want boy
ooh ooh ooh ooh
I wanna be yours but listen

I got the reason today and I'll say
Forever I love you like you are boy
I wanna wait everyday for you,
my little honey, my special love

I wanna say tonite, I'll be your love
I wanna play, everytime you want boy
Take my time 'cause I wanna be
I wanna be yours but listen

I love you like you are baby now
You touch me deep inside so love me
as you know baby stay tonite
So hold me in your arms

Com'on and take me away, right away,
I can't resist boy,
You take me higher
I feel your body and soul tonite,
I wanna express my love for you

I wanna say tonite, I'll be your love
I wanna play, everytime you want boy
Take my time 'cause I wanna be
I wanna be yours but listen

I love you like you are baby now
You touch me deep inside so love me
as you know baby stay tonite
So hold me in your arms
