

Valentine, Never Knew

Im so confused when Im holding your hand
I'm not sure what it means
I always thought youre just a good friend
I cant believe what I see

I realize theres more in my head
Im able to feel that mysterious love... you spread

I never knew that I could feel this love
I never knew that I want you to stay
But now Im right, Im sure what I need
cause its you, only you in my life

You dont even notice whats wrong
I cant concentrate on your words
I look in your lovely face
But youre blind and naive
cause you dont know what I feel

I realize....

I never knew that I could feel...
