Valentine, Never Said It Was Gonna Be Easy

Sometimes as I look backon the things I used to do
Rememberin&#039; all the things I been through
I tell myself, should&#039;ve known, as it seems we always do
But man, if I only knew

Chorus:
Never said it was gonna be easy
Days were long and the nights were neverending
Never said it was gonna be easy
But oh, I&#039;d do it all again

People always told me, "You&#039;d be better off in school"
Join the race, learn the golden rule
But music taught me so much more than I could ever sing
And man, I wouldn&#039;t change a thing

(Chorus)

So many nights I&#039;d look to the sky
And wonder where I am
But nowhere in sight, I&#039;m trying again
Tryin&#039; with all my might ... never again

(Chorus)

Sometimes as I look back on the things I used to do
Rememberin&#039; all the things I been through
I tell myself, should&#039;ve known, it seems we always do
If I only knew

I&#039;d do it all again

(Repeat Chorus & Fade)
