

# Valentine, Walk Away

Once upon a time there was a girl  
she had everything but she was so sad  
she cried every night in her bed  
she was alone, alone

her father was a rich man but never by her side  
her mother died when she was only five  
her only friend was a bird in a cage  
she was alone, alone

Chorus:  
she wanted to walk away  
away from the bonds  
wanted to walk away  
away from her soul  
wanted to walk away  
away from her fears  
walk away from her tears

to walk away...

Even today shes missing the love  
Shes searching for everyday in her life  
the tears like rivers ran over her face  
she lost the fire in her eyes...

Chorus

C-Teil:  
everytime my heart says that nothing will change  
when I walk away  
No, but listen! Dont trust your heart if your whole life youve been alone and so...

Chorus
