

# Valeria, Girl I Told Ya

(Valeria) Shh daddy  
She just came to say goodnight  
I'll be right back  
Daddy, she's nice

Mmm, change of plans  
We're going for a ride  
She got a new car  
Oh, we're not going very far

Ooh, Been tryin' to work this out  
I can't get out the house  
See you're parked outside  
I'm telling you it's on tonight

(Aria) Girl I'm telling you that you should wait  
Wait for me to come inside your gate  
When the coast is clear, now don't be late  
You can watch me move as I infiltrate

Girl I told ya  
You don't have to sneak out  
You don't have to fight  
I could creep up inside  
(Valeria) And hold ya  
Anything you want done  
da da done  
You can creep up inside

'K there's a motion detector  
So you gotta lay low  
Til' you get to the keypad  
Here's my secret code  
(Aria) to the V, to the A, to the L, to the E, to the R, to the I, to the A  
What's that say ?  
(Valeria) Now just up the stairs  
Left, right, right there

Are you sure of this ?  
I'm getting kind of nervous

(Aria) Girl I told ya  
You don't have to sneak out  
You don't have to fight  
I could creep up inside

(Valeria) And hold ya  
Anything you want done  
da da done  
You can creep up inside

(Aria) Girl, you got me trapped under your bed  
(Valeria) Daddy about to wake up bust my head  
(Aria) Boy, did you make me get so loud!  
(Valeria) (Well) Since I got you here and you can't get out  
(Aria) Girl what you wanna do ?  
(Valeria) Girl what you wanna do ?  
(Valeria & Aria) What you gonna do when they come for you ?  
(Aria) You said you wanna creep up  
(Valeria) Baby can't you keep up ?  
(Aria) Baby now we both stuck  
(Valeria) Yeah

(Aria) Girl I told ya  
You don't have to sneak out  
You don't have to fight  
I could creep up inside  
(Valeria) You don't think I know that ?  
I say the word and you'll be running  
You'll be lucky  
Just come and creep up inside

Daddy she's sleeping over  
Good night...
