

# Valerie Dore, The Night

So many things we have  
why don't you stay with me tonight?  
I'm trying to discover you  
together again for all the night.  
There's something going on right now

feelin' happy  
feel the moon.  
Let's get closer  
baby  
'cause we're dance and dance.  
All my friends are talking to me  
what's this love I see.  
I know you can make it right. I'm still waiting now

Waiting for the love I need.  
If you want me too there's something don't understand.  
I don't know.

So many things we have  
why don't you stay with me tonight? . . .
