

Van Canto, Fear Of The Dark

I am the man who walks alone
And when I'm walking a dark road
At night or strolling through the park

And when the light begins to change
I sometimes feel a little strange
A little anxious when it's dark

Fear of the dark, fear of the dark
I have a constant fear
That something's always near
Fear of the dark, fear of the dark
I have a phobia
That someone's always there

Have you run your fingers down the wall?
And have you felt your neck skin crawl
When you're searching for the light?
Sometimes when you're scared to take a look
At the corner of the room
You've sensed that something's watching you

Fear of the dark, fear of the dark
I have a constant fear
That something's always near
Fear of the dark, fear of the dark
I have a phobia
That someone's always there

Have you ever been alone at night
Thought you heard footsteps behind
And turned around and no one's there?
And as you quicken up your pace
You find it hard to look again
Because you're sure there's someone there

Fear of the dark, fear of the dark
I have a constant fear
That something's always near
Fear of the dark, fear of the dark
I have a phobia
That someone's always there

Fear of the dark, fear of the dark
Fear of the dark, fear of the dark
Fear of the dark, fear of the dark
Fear of the dark, fear of the dark

Watching horror films the night before
Debating witches and folklores
The unknown troubles on your mind
Maybe your mind is playing tricks
You sense, and suddenly eyes fix
On dancing shadows from behind

Fear of the dark, fear of the dark
I have a constant fear
That something's always near
Fear of the dark, fear of the dark
I have a phobia
That someone's always there

Fear of the dark, fear of the dark
I have a constant fear

That something's always near
Fear of the dark, fear of the dark
I have a phobia
That someone's always there

When I'm walking a dark road
I am the man who walks alone
