

Van Canto, Kings Of Metal

Manowar, Manowar, living on the road
When we're in town speakers explode
We don't attract whimps 'cause we're too loud
Just true metal people, that's Manowar's crowd

They wanna keep us down
But they can't last
When we get up
We're gonna kick your ass
Keep on burning
We always will
Other bands play - Manowar kill
Some other bands play - Manowar kill

We like it hard, we like it fast
We got the biggest amps, man, they blast
The true metal people wanna rock, not pose
Wearin' jeans and leather
Not crackerjack clothes

They wanna keep us down
But they can't last
When we get up
We're gonna kick your ass
Gonna keep on burning
We always will
Other bands play - Manowar kill
Some other bands play - Manowar kill

Now listen to the
To the kings of metal comin' to town
When we light up have the roof nailed down
Don't try to tell us that we're too loud
'cause there ain't no way
That we'll ever turn down

They wanna keep us down
But they can't last
When we get up
We're gonna kick your ass
Keep on burning
We always will
Other bands play - Manowar kill
Some other bands play - Manowar kill

Kings of metal - kick your ass
Kick your ass - Manowar kill
We're coming to town - kick your ass
Kings of metal - Manowar kill
We're coming to town - kick your ass
We're coming to town - Manowar kill
Kings of metal - kick your ass
We're gonna, we're gonna
We're gonna coming to town [Manowar kill]
Kings of metal - kick your ass
Kick your ass - Manowar kill
Kick your ass - kick your ass
