

Van Canto, The Bard's Song - In The Forest

Now you all know
The bards and their songs

When hours have gone by
I'll close my eyes
In a world far away
We may meet again
But now hear my song
About the dawn of the night
Let's sing the bard's song

Tomorrow will take us away
Far from home
No one will ever know our names
But the bard's songs will remain

Tomorrow will take it away
The fear of today
It will be gone
Due to our magic songs

There's only one song
Left in my mind
Tales of a brave man
Who lived far from here

Now the bard songs are over
And it's time to leave
No one should ask you for the name
Of the one who tells the story

Tomorrow will take us away
Far from home
No one will ever know our names
But the bard's songs will remain

Tomorrow all will be known
And you're not alone
So don't be afraid
In the dark and cold
But the bard's songs will remain
They all will remain

In my thoughts and in my dreams
They're always in my mind
These songs of hobbits, dwarves and men
And elves come close your eyes
You can see them, too
