

Van Halen, Ain't Talking Bout Love

I heard the news lady
all about your disease
yeah you may have all you want baby
but I got something you need (Oh, Yeah)
Ain't talking bout love
My love is rotten to the core
Ain't talking bout love
Just like I told you before, yeah before
You know your semi-good looking
and on the streets again
oh-yeah you think your really cooking baby
you better find yourself a friend, my friend
Ain't talking bout love
my love is rotten to the core
Ain't even talking bout love
just like I told you before, before, before, before
Ain't talking bout love
Baby its rotten to the core
Ain't talking bout love
Just like I told you before, a before
I been to the edge
and there I stood and looked down
you know I lost a lot of friends there baby
I got no time to mess around
So if you want it, I gotta cut you free baby
I gotta cut you free baby x3
Ain't talking bout love
my love is rotten to the core
Ain't talking bout love
Just like I told you before , before, before
Ain't talking bout love
Don't wanna talk about love
Don't even talk about love
Ain't gonna talk about love, no more, no more
Hey, Hey, Hey, (x9)
