

Van Halen, Angel Eyes

If I had my way,
You'd be here with me tonight
Someday you'll come and stay,
Where things go wrong,
We'll make them right
Thinking of you, angel eyes
Thinking of you, angel eyes
You're the only one that I know,
Makes me do things I don't usually do
And loving you just goes to show,
I got somebody to help me get the days through

Thinking of you, angel eyes
Thinking of you, angel eyes
More I love you
More and more each day
And I want to tell you
But I can't find the words to say
More I love you
More and more each day
And I want to tell you
But I can't find the words to say
