

# Van Halen, Angel Eyes

If I had my way,  
You'd be here with me tonight  
Someday you'll come and stay,  
Where things go wrong,  
We'll make them right  
Thinking of you, angel eyes  
Thinking of you, angel eyes  
You're the only one that I know,  
Makes me do things I don't usually do  
And loving you just goes to show,  
I got somebody to help me get the days through

Thinking of you, angel eyes  
Thinking of you, angel eyes  
More I love you  
More and more each day  
And I want to tell you  
But I can't find the words to say  
More I love you  
More and more each day  
And I want to tell you  
But I can't find the words to say
