## Van Halen, Atomic Punk

I am a victim of the science age
A child of the storm. Whoa, yes
I can't remember when I was your age
For me! It says no more, no more
Nobody rules these streets at night but me
The Atomic Punk
Oh, yeah. Ah-ah!

I am the ruler of these netherworlds The underground. Whoa, yes On every wall and place my fearsome name is hung Just look around. Whoa, yes

Nobody rules these streets at night but me The Atomic Punk! Ahhah!

(Guitar Solo)
