

# Van Halen, Not Enough

To love somebody naturally  
To love somebody faithfully  
To love somebody equally  
Is not enough, it's not enough  
It's not enough  
To love somebody secretly (And never touch)  
To love somebody honestly (And always trust)  
To love somebody tenderly  
The tender touch is not enough  
It's not enough

Love hurts you sometimes  
It's not so easy to find, no  
Searchin' everywhere, you turn and swear (Ahh-ahh-ahh)  
It's always been there

To love somebody foolishly (Can happen once)  
To love somebody hopelessly (It hurts so much)  
To love somebody equally  
Is not enough, it's not enough  
It's not enough

Love takes a little time  
It's not so easy to find, no, no  
Searchin' everywhere, you turn and swear  
It's always been there

(Guitar Solo)  
Standin' there....

Oh!

And if it don't come easily  
One thing you must believe  
You can always have trust in me  
'Cause my heart will always be, yours honestly

Yeah! Love hurts you sometimes  
Not so easy to find, no-oh  
Searchin' everywhere, you turn and swear (Ahh-ahh-ahh)  
It's always been there, standin' there  
Love hurts you sometimes  
It's not yours, it's not mine, no-oh  
Love is only to share  
You turn and swear (Ahh-ahh-ahh) it's everywhere  
Standin' there (Ahh-ahh)  
'Cause it's always been there
